fit a space or a particular design theme as well," Lammert said.

"Bonus rooms above the garage like in the Oklawaha are becoming popular specialty areas for arts and crafts, home offices or a gym," Kaminski said. "I'm also seeing more floor plans with balconies, which I've always liked," she said.

Many people have also decided to go with hardwood floors. "People who don't like cold floors tend to move towards the wood or laminate choices in flooring. But tile is
