Brenda DeArmond is the owner of Brenda DeArmond Realty, LLC. The company specializes in the sale of businesses, as well as residential real estate. All agents associated with the company are experienced and have been with the company for several years. Agents are very unique in their speciality. She can be reached at (352) 242-0234.

The business brokerage side of the company offers the sale of existing businesses and franchise businesses. She says if you purchase an existing business with a track record, your success rate will be higher. She believes in owning your own business and being in charge of your own destiny. She has owned her own business for 27 years and is proof that you can succeed and be the best boss you ever had.

The residential side of the company is equally important in assisting customers to buy or sell their property with the least amount of stress. With the experience behind her and the other agents in the company, that can be done. The change in the real estate market over the past year has made it necessary to seek out someone you can trust to handle one of the most important transactions you will make.

Brenda has always been self-motivated and driven. Continuing education is the key. She makes sure she is aware of all new laws and procedures in our ever-changing market. She is a member of Business Brokers of Florida, Florida Business Broker Association, Greater Lake County Association of Realtors, Orlando Regional Realtor Association, Central Florida Commercial Real Estate Society, Commercial Real Estate Women and Women's Council of Realtors.

She has been a member of Toastmasters International and has attained the highest distinction of Distinguished Toastmaster. She has been instrumental in helping bring Toastmasters to South Lake County. The tools are there to help anyone gain confidence in public speaking as well as leadership training. There is so much at our fingertips just for the taking. Brenda's plans for the future include expanding her office and hiring a few more experienced agents.

For fun, Brenda enjoys all dancing whether it is ballroom dancing, country dancing, or line dancing. It is a wonderful way to relax and just have fun. Years ago she taught classes, but says she doesn't enjoy teaching and applauds all teachers for their dedication and patience.

Brenda is originally from Indianapolis, Ind., and has been in Florida for 11 years. Her greatest accomplishment is her children, Kim and Bryan, in raising them to be decent, well-rounded individuals.
