*Celebrating*  
 *Years of*  
**CARING FOR HEARTS**  
 IN CENTRAL FLORIDA

*BE* KIND TO  
**YOUR HEART**

*If you are over age 50, we encourage you to establish a relationship with a cardiologist, including taking a series of basic tests to establish YOUR heart baseline. This action now could result in the prevention or early detection of heart disease.*

**Our Commitment Continues...**

To demonstrate that our hearts are still in the right place, Citrus Cardiology has contracted for two new locations in The Villages and Leesburg areas, including a new facility in Lake Sumter Landing to be opened in early 2007.

Our group of accomplished physicians is highly trained, compassionate and dedicated to providing exceptional diagnosis and treatment for conditions of the heart.

**Providing These Services & More:**

- Cardiac Catheterization
